Graduation requirements (Grade 10 courses) :

- You must pass the following grade 10 courses to graduate.

Math 10, Science 10, Career Life Education 10, Physical and Health Education 10 (PE10), Social Studies 10 (Eng10 is also required, but the school will choose English Language courses for you.)

- If you have **NOT** passed any of these courses, request to study them next year.

Graduation requirements (Grade 11 courses) :

- You must pass the following grade 11 courses to graduate.

Pre-Calculus 11, A Science 11 (Chemistry 11, Biology 11, or Physics 11), and a Humanities course (Social Studies 11/Economic Theory 12)

-(English 11 is also required, but the school will choose English Language course for you.)

- If you have **NOT** passed any of these courses, request to study them next year.

Graduation requirements (Grade 12 courses) :

- Any 4 grade 12 courses in addition to English 12
- CLC (Career Life Connections)
- Totally credits: 80

# Career Life Connections (CLC)

- Career Life Connections (CLC) is a guided interest-based capstone project with a career focus and is now a requirement for graduation from the B.C. program. We currently offer CLC guidance within Horsemanship, Textiles and Musical Instruments.
- \*\*These courses will have a fee (TBD) and will likely happen in the afternoon and evenings. More information will come later at the beginning of next semester.
- Alternatively, you can document and complete the capstone project in an area of your choice by choosing Independent Directed Studies (IDS).
- CLC will last for one school year. One BC teacher will be in charge of it and provide support and guidance for the course.

# Grade 12 Approved Academic Courses

(Many universities will evaluate your grade 12 academic courses to give you admission to their programs.)

- AP Macroeconomics
- Pre-cal 12
- Calculus 12
- Biology 12: Anatomy and Physiology
- Chemistry 12
- Physics 12
- Economic Theory 12
- English 12 (school will choose it for you)
- Mandarin 12 (Chinese class time, no need to choose it in PS)

# AP Macroeconomics

- **Introduction:** AP Macroeconomics is an introductory college-level macroeconomics course. Students cultivate their understanding of the principles that apply to an economic system as a whole by using principles and models to describe economic situations and predict and explain outcomes with graphs, charts, and data as they explore concepts like economic measurements, markets, macroeconomic models, and macroeconomic policies.
- **Prerequisites:** This course needs strong writing and reading skills and at least passing math skills to be able to do it. For grade 11s and grade 12s whose GPA is above 80% only.
-

## Pathway Electives:

Choose Electives based on your interest and University Pathway.

- **Art** : Drawing and Painting 12, Graphic Arts 12, Photography 12, Music 11
- **Foreign Language : Spanish 10**
- **Business**: Entrepreneurship 12, Marketing 12
- **Drama**: Acting 12, or Drama, Film and Television 12
- **IT**: Programming 11
- **Health Care**: Active Living 12 (Same as PE 12 with a little more emphasis on Healthy Decision Making) or Fitness and Conditioning 12, Psychology 12
- Recommend to have at least 2 elective courses and 2 alternates based on your grade level.

# Physical Activity

- It is highly recommended you choose one of the below active classes to help get your DPA.
  - You are required to get 150 minutes of DPA a week.
- Fitness and Conditioning, Dance, Active Living  
(Same as PE 11 & 12 with a little more emphasis on Healthy Decision Making)

# Alternates:

- Select two electives you **DID NOT** select before to take if your first choices are unavailable.
- Students who repeatedly selected a class will be put into a random class if their first choice didn't work out.

# Sino Summer School

- Do your course selections as if you are not taking any Sino summer school courses. We will modify your course requests when summer school courses grades are out.
