-(English 11 is also required, but the school will choose English Language course for you.)

- If you have **NOT** passed any of these courses, request to study them next year.

Graduation requirements (Grade 12 courses) :

- Any 4 grade 12 courses in addition to English 12
- CLC (Career Life Connections)
- Totally credits: 80

Pathway Electives:

Choose Electives based on your interest and University Pathway.

- **Art** : Drawing and Painting 11, Graphic Arts 11, Photography 11, Dance 11
- **Foreign Language : Spanish 10**
- **Business**: Entrepreneurship11, Marketing 11
- **Drama**: Acting11, or Drama, Film and Television11
- **IT**: Programming11
- **Health Care**: Active Living11 (Same as PE 11 with a little more emphasis on Healthy Decision Making) or Fitness and Conditioning 11, Psychology 12
- Choose 2 alternates based on your grade level.

Physical Activity

- It is highly recommended you choose one of the below active classes to help get your DPA.
 - You are required to get 150 minutes of DPA a week.
- Fitness and Conditioning, Dance, Active Living
(Same as PE 11 & 12 with a little more emphasis on Healthy Decision Making)

Grade 12 Courses

- If you would like to take any grade 12 courses when you are in grade 11, it is also okay. Please note that the prerequisites for each course are required to meet.

Ex. Pre-Calculus 12, Calculus 12, Physics 12, Chemistry 12, Biology 12, AP Macroeconomics, Economic Theory 12

- Or go back and add another Grade 11 science to your schedule!

AP Macroeconomics

- **Introduction:** AP Macroeconomics is an introductory college-level macroeconomics course. Students cultivate their understanding of the principles that apply to an economic system as a whole by using principles and models to describe economic situations and predict and explain outcomes with graphs, charts, and data as they explore concepts like economic measurements, markets, macroeconomic models, and macroeconomic policies.
- **Prerequisites:** This course needs strong writing and reading skills and at least passing math skills to be able to do it. For grade 11s and grade 12s whose GPA is above 80% only.
-

Alternates:

- Select two electives you **DID NOT** select before to take if your first choices are unavailable.
- Students who repeatedly selected a class will be put into a random class if their first choice didn't work out.

Sino summer school

- Do your course selections as if you are not taking any Sino summer school courses. We will modify your course requests when summer school courses results are out.
